5. **Weekly Planning List** – Mill Road planning application. JK tabled a draft of the proposed letter from the Community Council. Agreed that the maximum number of dwellings should be constructed; that the drawing showing the flood plain is misleading and that houses abutting Mill Road should face Mill Road. There was a difference of opinion on whether the scheme should be accessed from Avalon Gardens or from Mill Road.
6. **Vision Development:** It was agreed:
 - a. RS be the editor
 - b. Members would take responsibility for the following topics and review and revise them as appropriate in the order they appear in the current document, submitting drafts to RS by 21st May.

 - d. We would meet next on Thursday 11th June at 10.30am to consider the whole document.
